POLICE

*The Detective
Surveillance Vest!*

POLICE

The lightweight Detective Surveillance Vest (DSV) features a quick open/close Velcro® front closure system. This system allows the vest to remain open for maximum comfort during extended surveillance, and permits instant closure when a threat arises. The DSV is especially effective for stakeouts, warrant services and other special assignments/operations. It also provides removable high-profile identification on the front and back of the vest.

STANDARD FEATURES:

- Quick open/close Velcro® front closure system
- Permanent or removable ballistics
- 500 denier Cordura® outershell construction
- Extensive upper body protection
- Permanent load-carrying utility pockets
- Front and back removable identification
- Universal radio pouch

OPTIONS & ACCESSORIES:

- Nomex® fire-retardant or 1000 denier Cordura® outershell
- Modular grid system (shown) or load-bearing webbing system
- Additional modular pouches available with modular grid system or load-bearing webbing system
